Provide a brief statement describing the function of work or reason why the position exists. List duties indicating the percent of time spent for each area of responsibility. If applicable, describe any unusual physical demands and/or unavoidable hazards of the position. Attach additional pages if necessary.

PERCENTAGES MUST TOTAL 100% LIST DUTIES IN DECREASING ORDER OF IMPORTANCE / COMPLEXITY. THE NEED FOR SPECIAL LICENSE, POLICE COMMISSION, KNOWLEDGE OR TRAINING MUST BE INDICATED BELOW, IF APPLICABLE.

ENGINEER 9 [DISTRICT 04]

Mission Statement:

The overall function of this position is to provide leadership for District 04 as well as administers and manages all resources and business responsibilities.

This position is located in the District 04 of the Department of Transportation and Development and reports directly to the Assistant Secretary, Office of Operations.

This position serves the following 7 parishes; Bienville, Bossier, Caddo, Claiborne, Desoto, Red River, and Webster which consists of 2611 road miles, and 1144 state owned bridges, and 600 state off system bridges. The District staff level is 327 with the following direct reports: 3 – Assistant District Administrators, 3 – Area Engineers, and 1 - Administrative Assistant.

Specialized knowledge of Department policies, procedures, and rules along with applicable federal, state and local laws is required. The position participates in the required DOTD structured training program and obtains additional training to facilitate the performance of required tasks.

The incumbent is required to possess and maintain a valid Louisiana Driver's License and be knowledgeable in the safe operation of a passenger vehicle. The incumbent is required to have knowledge of the use of a HUF radio and proper radio etiquette. The incumbent shall utilize the latest available technology such as a smart/cell phone, computers, email, and social media to facilitate communications. The incumbent will be a designated first responder.

The incumbent must be a strong leader who is highly self-motivated, decisive, and be able to perform duties with general oversight and direction. The incumbent must be able to interpret the course of events and anticipate unforeseen conditions.

50% Provides leadership to the District Staff. Performs administrative and management duties over all resources and responsibilities assigned. Implements policies and direction from the Assistant Secretary of Operations. Advises Assistant Secretary of Operations of transportation needs within the District to provide for better use of available resources and improve department productivity. The incumbent ensures cohesion and teamwork between district operating units, governmental agencies, and private interests to assure effective and efficient implementation of the Agency's Strategic Plan and Goals. Develops, interprets, and carries out policies and programs for all aspects of the business including but not limited to: construction, maintenance, design, public works, operations, permitting, and traffic. Creates a culture of accountability and ownership in the District. Implements organizational and leadership standards.

25% Confers, advises, and negotiates with federal, state, and local officials, private entities, members of the public, and other elected/appointed officials on a variety of issues, some sensitive and controversial. Calls, meets, and/or conducts conferences with legislators, mayors, police jurors, FHWA officials, local citizens, contractors, and media personnel to resolve and/or arbitrate complaints; construction, maintenance, and traffic problems; design errors; and/or discuss funding, planning, design, and schedule of various construction projects. Serves as media spokesperson to inform public of construction and maintenance project activities in the District. Represents the department/district on various highly-complex engineering issues as well as on highly publicized decisions or actions in which the media or the public are involved; participates in conferences with appointed DOTD officials, division directors, and other key staff to correlate and enhance administrative program.

15% Establishes priorities, goals, objectives, policies, and procedures in order to achieve desired results. Facilitates, schedules, and prioritizes work activities in order to achieve results in a timely and efficient manner. Establishes performance indicator criteria or benchmarks against which work efforts will be measured in order to gauge progress and evaluate results. Continuously monitors, tracks, evaluates, and reports on the progress, performance, costs, accomplishments, and status of all work, requests, complaints, projects, contracts, agreements, permits, reports, etc. in your district. Ensures good documentation of progress, performance, costs, accomplishments, and status of all work, requests, complaints, projects, contracts, agreements, and permits.

10% May be required to perform other duties as necessary including, but not limited to, emergency-disaster planning/preparation/response/support activities.
