8 JOB DUTIES AND RESPONSIBILITIES

Provide a brief statement describing the function of work or reason why the position exists. List duties indicating the percent of time spent for each area of responsibility. If applicable, describe any unusual physical demands and/or unavoidable hazards of the position. Attach additional pages if necessary.

PERCENTAGES MUST TOTAL 100% LIST DUTIES IN DECREASING ORDER OF IMPORTANCE / COMPLEXITY. THE NEED FOR SPECIAL LICENSE, POLICE COMMISSION, KNOWLEDGE OR TRAINING MUST BE INDICATED BELOW, IF APPLICABLE.

TRANSPORTATION OPERATIONS MANAGER

Function Statement:

The primary responsibility of this position is to assist the Area Engineer (Engineer 7) in maintenance and operations management in assigned parishes. This position is located in the District 05 / Unit 500 / Monroe District Office in Ouachita Parish of the Department of Transportation and Development and reports directly to Area B Engineer for Ouachita and Richland Parishes. This is accomplished by directing and coordinating maintenance management activities through the Parish Highway Maintenance Superintendents.

The incumbent will participate in appropriate DOTD structured training programs as appropriate and attend all continuing education classes and conferences deemed necessary to facilitate the performance of required tasks.

Additionally, the incumbent is required to possess the following specialized knowledge, skills, abilities.

- A thorough knowledge of current DOTD and FHWA policies, procedures, and specifications in order to ensure accuracy and compliance.
- A high degree of competency in math, organizational and communication skills (verbal and written).
- A proficiency in the operation of personal computers and the associated software especially Microsoft Office and Agile Asset.
- While no professional license is required for this position, advanced DOTD structured training requirements must be met and maintained.
- This position may require work involving nighttime operations or call outs for emergencies that may occur outside of normal work hours.
- While in official capacity, DOTD employees must comply with applicable Louisiana and Civil Service laws, rules, and regulations, as well as DOTD policies, procedures, manuals, and directives.

Job Duties and Responsibilities

35% Provides technical expertise to Parish Highway Maintenance Superintendents. Directs superintendents in the proper methods of prioritizing repair locations and in distributing the workload to produce the best cost/benefit ratio within budget constraints with maintaining safe roadway conditions for the motoring public as the top priority. Provides guidance on the proper use of materials, repair procedures, calculations of quantities, record keeping, and completed repairs monitoring.

15% Provides field management of the Contract Maintenance Program. Performs oversight of maintenance contractors to ensure compliance with contract specifications. Verifies accuracy of contractor invoices for work performed.

10% Provides input for proposed improvements to the highway system and other DOTD facilities in assigned parishes. Inspects all state highways in assigned parishes to recommend prioritized repair and/or rehabilitation needs for projects funded through the Statewide Overlay Program and the Contract Maintenance Program.

10% Investigates complaints by elected officials, motorists, citizens, etc., relating to the State Highway System. Determines DOTD responsibility in accordance with State law and DOTD policies and responds accordingly. Works with local governments to improve drainage on DOTD right of way. Investigates encroachments on DOTD right of way.

10% Monitors work reporting by assigned parish maintenance units to ensure accurate documentation of labor, materials, and equipment on work performed by DOTD maintenance forces. Monitors inventory of materials on hand.

10% Investigates motor vehicle accidents on the State highway system in assigned parishes. Gathers data and photographs the accident scenes, compiles reports, and assists in DOTD legal defense in tort lawsuits resulting from accidents.

5% Assists Area Engineer in a variety of technical tasks relating to special projects. Coordinates with the various cities, towns, and villages performing maintenance to the highway system by City Agreement. Inspects work performed to ensure compliance. Verifies accuracy of invoices for work performed. May assists the District Permit Specialist in gathering field data for permits and monitoring non-permitted activities on DOTD right of way.

5% May be required to perform other duties as necessary including, but not limited to, emergency/disaster support activities.

DEPARTMENT OF TRANSPORTATION AND DEVELOPMENT
