This imagery was provided by the Regional Planning Commission for Jefferson, Orleans, Plaquemines, St. Bernard and St. Tammany Parishes (RPC), the United States Geological Survey (USGS), the New Orleans Region Urban Area Security Initiative (UASI) and the United States Corps of Engineers (USACOE) New Orleans Branch.

Reproduction and distribution of the data is prohibited without consent of the Executive Director of the RPC.

The RPC, USGS, USACOE and New Orleans Region UASI are not responsible for any errors arising from any use of alterations made to the data.

Under no circumstances is resale or distribution of the data permitted.

Imagery Information:

The true color aerial imagery and infrared band were captured between February 6 and March 3 of 2009 by Pixxures, Inc., and data was acquired by DigitalGlobe. Data was purchased under a DigitalGlobe license for civil government.

The imagery is projected to UTM 15 NAD 83, unit of measure is meters.

The spatial resolution is approximately a one foot pixel.

Any use of the data must be accompanied with this citation and accompanying seals and logos.
