Annual Oversize/Overweight Permit

The Louisiana Department of Transportation and Development's Secretary, Shawn D. Wilson, Ph.D., announced today that the Authority of Unincorporated Companies and Resolution for Corporation will no longer be required to obtain an Annual Oversize/Overweight Permit. The Department recognizes the need for streamlining the permit process and the need for auto issue of these permits. The Annual Oversize/Overweight Permit will be available online beginning March 4, 2019. Eliminating these forms will save time for our customers and employees by streamlining the process.
