Dear Prospective Proposer,

Attached is a copy of the Request for Qualifications (RFQ) for the Louisiana Department of Transportation and Development's (LA DOTD) I-12 Widening Design-Build Project (Project). The RFQ contains the base RFQ documents as well as Appendices A through C. I have forwarded the RFQ to you via Compact Disc-Read Only Memory (CD-ROM). The files are in Adobe Acrobat (.pdf) and Microsoft Word (forms only) format. It is the responsibility of the prospective Proposer to obtain all necessary software to view these documents.

There will not be a pre-Statement of Qualifications (SOQ) informational meeting for this RFQ. The SOQs in response to this RFQ will be due on July 17, 2008, unless changed by the LA DOTD by addenda.

In accordance with Section 1.12 of the RFQ, the LA DOTD will only consider questions submitted in writing by prospective Proposers regarding the RFQ, including requests for clarification and requests to correct errors. All such requests must be submitted in writing in the format shown on Form RFQ-C (contained in Appendix C of the RFQ) to me at the following addresses:
