**APPENDIX A – DIRECTIVE PLANS**

## 1.0 INTRODUCTION

This Part 4 – Scope of Services Package Plans contains the Scope of Services Package Plans to be used for the Project. The Scope of Services Package Plan types contained herein are categorized as directive plans.

## 2.0 INDICATIVE PLANS (NOT APPLICABLE)

## 3.0 DIRECTIVE PLANS

Directive plans are those plans that depict required elements and components of the Project within specifically defined parameters. The Design-Builder has limited or no latitude to adjust components or details shown on directive plans. The directive plans for this Project are the Right-of-Way (ROW) plans. The ROW plans depict the Project limits, including the following:

- A) Interstate-10 (I-10) As-Built Plans<sup>1</sup> for Siegen Lane to Kleinpeter (State Project # 450-10-12).

<sup>1</sup>Only the Right-of-Way Plans (Sheet Nos. 52 – 64), which are a part of the As-Built Plans, are to be used as Directive Plans. All other information included in these As-Built Plans is to be used only as Reference Documents.

The directive plans for this Project are contained in Appendix A – Directive Plans to this Part 4 – Scope of Services Package Plans and are included on the Scope of Services CD ROM.
