## FORM Q

## Questions

This form must be used for the submission of questions pertaining to the Request for Qualifications (RFQ) for the US 90 (Future I-49) LA 318 Design-Build (DB) Project. This form must be submitted to the address specified in Section 1.11 of the RFQ.

| Section | Question | LA DOTD Response |
|---------|----------|------------------|
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
|         |          |                  |
