Ms. Dana Masters  
Tribal Historic Preservation Officer  
Jena Band of Choctaw Indians  
P.O. Box 14  
Jena, LA 71324

SUBJECT: Solicitation of Views and Initiation of Section 106 Consultation

Dear Ms. Masters:

Early in the planning process for a transportation facility, views from federal, state, and local agencies, organizations, and individuals are solicited. The special expertise of these groups can assist the Louisiana Department of Transportation and Development (LADOTD) with the identification of possible adverse economic, social, or environmental effects from the project or other related concerns.

In addition to identifying any concerns or issues as mentioned above, your consultation to address cultural and historic resource issues pursuant to Section 106 of the National Historic Preservation Act 36 CFR 800 is also requested. Coastal Environments, Inc. will be conducting the cultural resources survey for the Interchange Improvement Project. If you know of another interested party or other potential Section 106 concerns, please alert us to that information as well.

A project study area map, project overview and figures of alternatives are attached for your review. We would also like to advise you that a stakeholders and elected officials meeting will be held in Lake Charles, Louisiana on Tuesday, September 18, 2012 followed by a public meeting on the same day. Specific information regarding these meetings will be provided soon.

On behalf of the Federal Highway Administration (FHWA), we respectfully request that you review the attached information and furnish us with your views and comments at your earliest convenience. If you have any questions please contact Ms. Stacie Palmer at 225-242-4517.

Sincerely,

Noel Ardoin  
Environmental Engineer Administrator

Solicitation of Views and Initiation of Section 106 Consultation  
I-210 Cove Lane / Nelson Road  
Interchange Improvement Project  
Calcasieu Parish, Louisiana

Dear «Salutation»:

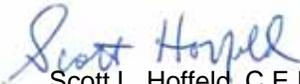

On behalf of the Federal Highway Administration (FHWA) in cooperation with the Louisiana Department of Transportation and Development (LADOTD), views from federal, state, and local agencies, organizations, and individuals are being solicited early in the planning process for a transportation facility. The special expertise of these groups can assist the LADOTD with the identification of possible adverse economic, social, or environmental effects from the project or other related concerns.

In addition to identifying any concerns or issues as mentioned above, your consultation to address cultural and historic resource issues pursuant to Section 106 of the National Historic Preservation Act (36 CFR 800) is also requested. Coastal Environments, Inc., will be conducting the cultural resources survey for the Interchange Improvement Project. If you know of another interested party or other potential Section 106 concerns, please alert us to that information as well.

A project study area map, project overview and figures of alternatives are attached for your review. We would also like to advise you that a stakeholders and elected officials meeting will be held in Lake Charles, Louisiana, on Tuesday, September 18, 2012, followed by a public meeting on the same day. Specific information regarding these meetings will be provided soon.

On behalf of LADOTD and the FHWA, ARCADIS U.S., Inc., requests that you review the attached information and furnish us with your views and comments by **Friday, September 21, 2012**. Replies should be sent to Beth Beam by e-mail or U.S. mail at the addresses provided. Please reference State Project No. 010151.2 in your reply.

Sincerely,

  
Scott L. Hoffeld, C.E.P.  
Senior Project Manager
