Supplier Text: Contract to furnish labor, materials, and services required to produce Asphaltic Mixture for Hot Application, which is acceptable to the Department of Transportation and Development. Contract is for a period of six (6) months beginning September 1, 2022 and ending February 28, 2023.

Attached is a copy of:

- Approved Materials List: Aggregates
- Approved Materials List: Asphaltic Materials
- MS Spec 164-002, Revised 7/16/2020 – Asphaltic Mixtures for Hot Application
- MS Spec 164-004, Revised 12/20/2017 – Polymer Modified Asphaltic Materials

PRE-QUALIFICATION:

Bidder's plant for supplying Asphaltic Mixture for Hot Application must be certified by the Department prior to award. After award of the contract, it will be the responsibility of each District to make sure the bidder's plant is still certified before material is picked up at various plant locations throughout the life of the contract.

GUARANTEE AND LIABILITY:

The contractor agrees to guarantee the following:

1. The supplies delivered are free from defects in design and construction.
2. The supplies are the manufacturer's standard design and construction and that no changes or substitutions have been made in the items listed in contract.

--	---	----------------

The contractor holds and saves the State, its officers, agents, and employees harmless from liability of any kind, from any claims, suites, costs, or penalties for infringement or use of licensed or patented products including cost and expenses on account of any patented or unpatented invention, articles, devices or appliances manufactured or used in the performance of this contract, including use by the government.

The contractor agrees to replace, at no cost to the Department, all defective materials or supplies delivered under the contract. All transportation charges covering return and replacement shall be paid by the contractor.

Any material that fails to conform to any part of the specifications shall result in rejection of the material supplied, whether said failure is noted upon delivery, during testing, or in the field at an installation site.

SPECIAL INSTRUCTIONS:

This is not an order to deliver. No specific quantities are given or guaranteed. Material will be ordered as needed. The Department reserves the right to increase or decrease quantities at the same prices, terms and conditions for the life of the contract.

Both regular and polymer modified asphaltic mixture will be available for use by the Department. It will be at each District Administrator's discretion as to which product to purchase.

All Asphaltic Mixture for Hot Application shall be sampled and accepted in accordance with the standard method of sampling asphaltic materials as outlined in the Department's Sampling Manual.

Note: It will be up to the District Administrator to select a certified plant closest to the jobsite based upon the unit price bid and the current mileage factor. Mileage will be computed on the basis of \$0.15 per mile for the first 41 miles, then \$0.75 per mile thereafter.

Aggregates must be from an approved source listed on Approved Materials List: Aggregates.

Polymer Modified Asphalt PG70-22M and PG76-22M material must be from an approved source listed on Approved Materials List: Asphaltic Materials.

Plants which are established and certified during the life of the contract may be considered for supplemental award based on factors which are advantageous to the Department of Transportation and Development. The decision will be based on the best interest of the Department as determined by the DOTD Procurement Director. Awards will not be made if plant is within a radius of ten (10) miles of a plant location which was awarded at the original contract award.

Discounts will be accepted but will not be considered in determining low bidder.

MATERIAL AVAILABILITY:

The successful bidder(s) will be required to have on hand or immediately available an adequate supply of Asphaltic Mixture for Hot Application in order to meet the Department's requirements, as ordered, where ordered, during the life of the contract.

It will be the responsibility of the contractor to give the District Administrator a forty-eight (48) hour notice as to when the plant will be out of operation and/or in the event that the plant is shut down permanently.

PURCHASE ORDERS:

Purchase orders will be issued by the Department. Each Purchase order will state an actual or estimated quantity that is required and all other pertinent data necessary for the contractor. In no event shall material be supplied without proper authorization.

--	---	----------------

INVOICES:

At the time of pick-up, the contractor is to make a receipt on his own form showing complete description, the exact quantity supplied, unit price and extension. Such receipt must make reference to the Purchase Order Number.

Upon acceptance by the Department, the contractor shall bill the Department by means of an invoice and such invoice shall make reference to the Purchase Order Number on which material was supplied.

Invoices shall be submitted by the contractor directly to the address shown on the Purchase Order.

Invoice price must agree with contract price.

Invoices will be paid by the Department within the discount period or within thirty (30) calendar days from receipt of correct invoice. If contractor proposes a discount, discount period will start from receipt of correct invoice.

PAYMENT:

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources, DOTD strongly encourages vendors to participate in accepting Electronic Funds Transfer (EFT) payments.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information is available at <https://www.doa.la.gov/doa/osrap/vendor-information/>

TERMINATION OF CONTRACT:

The Department reserves the right to immediately terminate this contract prior to the end of the contract period for unsatisfactory performance, unsatisfactory delivery, unsatisfactory service, failure to meet specifications, misrepresentation by the contractor, fraud, collusion, conspiracy, or other unlawful means of obtaining any contract with the State, conflict of contract provisions with constitutional or statutory provisions of State or Federal Law, and/or any breach of contract.

The Department reserves the right to terminate this contract prior to the end of the contract period upon giving a thirty (30) day written notice to the contractor if it is considered in the best interest of the Department.

Successful contractor may request cancellation of this contract upon giving a thirty (30) day written notice to the DOTD Procurement Director.

All orders supplied in accordance with the specifications, terms and conditions of the contract prior to the effective date of any termination shall be paid for by the Department in accordance with the terms of the contract, whereupon all obligations of both parties to the contract shall cease.

Guarantees shall apply to all items delivered prior to termination.

BIDDERS CERTIFICATION OF EEOC AND ADA COMPLIANCE:

The Department of Transportation and Development and the State of Louisiana is an equal opportunity employer and looks to its contractors, subcontractors, vendors, and suppliers to take affirmative action to affect this commitment in its operations.
