Rules of the Passport Program

1. This program is open to all pilots, passengers, and aviation enthusiasts. Participants are not required to be Louisiana residents.

2. There is no deadline for completing the Louisiana Airport Passport Program as long as the program remains in operation.

3. When flying to or attending a qualifying airport, aviation attraction, or FAA safety seminar, participants must check-in through the AOPA app.

4. Because circumstances may prevent participants from flying to all 66 airports, bonus activities have been added to the program at the gold-level. Program participants may elect to complete bonus activities in lieu of collecting up to four airport stamps at the gold-level. For each bonus activity completed,
   a. Check-in on the AOPA app.
   b. Only one check-in for each of the below categories will be accepted.
   c. Eligible bonus activities include:
      i. Fly to one out-of-state airport
      ii. Fly to a seaplane base
      iii. Fly/Visit Sun ‘n Fun.
      iv. Fly/Visit Oshkosh Airventure.

5. Participants must enter affiliate code at each Safety Seminar in person to qualify.

6. Gold-level awards will be presented annually at the Louisiana Airport Managers and Associates Conference.
