**RE: DBE Goal Setting
Fiscal Year 2013-2015**

Dear Mr. Patrick:

The Louisiana Department of Transportation has established a goal of 0.0126% for the Federal Transit Administration (FTA) for the FY 2013-FY2015. This goal encompasses DBE utilization as prime contractors and consultants, as well as subcontractors and subconsultants on FTA funded projects. Also, enclosed is the DBE Goal Setting Methodology (Exhibit A) explanation report for your information, review, and approval.

Of the 1,299 firms in our database, 1,158 are non-DBE contractors and 141 are DBE contractors. The database used to determine the base goals draws information from the Department's ready, willing, and able list. This list includes all firms bidding as prime contractors, which are found on the Department's LaGov system. This system includes the names of contractors, suppliers, and consultants which have been paid for services to the Department. It also includes information submitted by prime contractors on firms which have quoted prices for sub contractual work. We believe that this shows diligence in identifying all ready, willing, and able firms.

In determining the DBE goal, DOTD took into consideration all prime contracts and subcontractors performed by DBE contractors which were obtained without the benefit of goal requirements. Analysis of the past participation by our DBE community confirms that an overall DBE goal in excess of 0.026% would not be reasonable target in Louisiana. A full explanation and calculation are included in Exhibit B and C.

The Department is requesting FTA approval of the Louisiana DOTD's DBE Goal and process for Fiscal Years 2013-2015. If you have any questions, or need additional information, please contact me or my Program Supervisor, Harold Beck at (225) 379-3060 or email harold.beck@la.gov.

Sincerely,

Donna Lavigne
Public Transportation Program Director

GOAL SETTING METHODOLOGY
FISCAL YEAR 2013-15**

This document explains the methodology used by our department to establish our fiscal year 2013-15 DBE goal.

GOAL SETTING METHODOLOGY 49 CFR PART 26.45

The federal regulations require recipients to set overall goals based on demonstrative evidence of availability of ready, willing and able DBEs relative to all businesses ready, willing and able to participate on DOT assisted contracts.

A. Step 1 Base Figure Determination 26.45(c)

- 1. The Louisiana DOTD has elected to use a ready, willing and able bidders list, to determine our base figure. In order to capture this information on successful and unsuccessful bidders and quote providers that have participated on DOTD contracts, during a two year period of 2011 – 2012, the firms are tracked by an internal data base system. Ready, willing and able firms as described above are included as Exhibit A.**
- 2. Of the 1299 firms on our database, 1184 are non-DBE contractors and 115 are DBE contractors. Utilizing this information, we arrived at a base figure of 0%, included as Exhibit B.**

B. Step 2 Adjustment Factors 26.45(d)

- 1. We determined our past accomplishment based on the median of awards for the last five consecutive years. The figures are as follows: 2008 – 0%; 2009 – 0%; 2010 – 0%; 2011 – 0%; and 2012 – 2%. Thus, the median of the last five years is 0%. Using this mean and our base figure (0%) resulted in a goal of 0%. The analysis of past participation results are shown in Exhibit C.**
- 2. We are not aware of recent disparity studies; therefore, this was not included as a part of the adjustment factor.**

C. Public Participation 26.45 (g)

- 1. Public consultation forums were where all interested stakeholders, including our DBE firms; the contracting community, AGC, minority and women organizations, and other interested parties were invited. These two public consultation forums were held on April 23rd in Shreveport and the second on April 25th in the auditorium of the DOTD headquarters building in Baton Rouge. Information relative to our public participation process is in Exhibit D.**

- 2. On May 23, 2013, our DBE goal and contact information for viewing our methodology was posted on our department's website and in the lobby our headquarters building. We have also published it for public comment in newspapers around the state including the following: The Baton Rouge Advocate, the Shreveport Times, The Times Picayune, the Monroe New Star, the Lake Charles American Press, the New Orleans Daily Journal, and the Alexandria Town Talk, which are shown in Exhibit E**

Exhibit B – Base Figure Information

Step 1 - Determine the weight of each type of work by NAICS Code: ATTACHMENT #1

* Enter all the FTA-assisted projects below. Project amounts should be assigned relevant NAICS Code(s).

NAICS Code	Project	** Amount of DOT funds on project:	% of total DOT funds (weight)
1) 485999	Intercity Bus	\$5,072,775.00	0.1051

Step 2 - Determine the relative availability of DBE's by NAICS Code:

* Use DBE Directory, census data and/or a bidders list to enter the number of available DBE firms and the number of available firms.

NAICS Code	Project	** Number of DBEs available to perform this work	***Number of all firms available (including DBEs)	Relative Availability

Happy Birthdays
Success depends on how your business and personal partnerships unfold. Do your fair share, but don't let anyone take advantage of you. Equality will be what you should strive for, and sticking to what you do best should be your plan. This is not the year to waste time or to let ulterior motives lead you astray. Your numbers are 7, 10, 17, 23, 39, 41, 47.

ARIES (March 21-April 19):
Go over personal papers and finances. Discuss your options and plan to introduce a budget or savings plan that will help build greater stability and less stress. Love is in the stars and sharing with someone special is highlighted. 5 stars

Taurus (April 20-May 20):
Find solutions for people you are concerned about and you will make a difference. Don't be afraid to take an unusual approach to an old problem. Clear your head, refrain from letting your emotions sway you from doing what's right. 3 stars

GEMINI (May 21-June 20):
Draw on your strengths and use your keen sense of perception to guide you regarding business and getting along with your peers. When it comes to your personal connections, you must not be fooled by someone with ulterior motives. 3 stars

CANCER (June 21-July 22):
Observe what's happening around you and do not ignore notices or requests that come from government agencies, large corporations or any sort of institution. Address issues as they arise with interest and an innovative response. Avoid meddling or gossip. 3 stars

LEO (July 23-Aug. 22):
Helping a cause or doing something that will add to your knowledge, skills or your appearance will pay off. An emotional encounter is likely to cause deep thought, but don't allow it to tear down your confidence. Looks are deceiving. 5 stars

VIRGO (Aug. 23-Sept. 22):
Don't look for trouble or you will end up with more than you bargained for. Take the high road and put more time and effort into doing something about your concerns. Talks will not help you advance, but taking action will. 2 stars

LIBRA (Sept. 23-Oct. 22):
Travel plans, attending a conference or spending time with people you find mentally and physically stimulating will change your life and your future. Love is in the stars, and romance should be scheduled. Unusual entertainment will pique your creative imagination. 4 stars

SCORPIO (Oct. 23-Nov. 21):
An adjustment at home may not be well received by everyone, but it will help you expand your plans for projects you want to pursue. An emotional situation must not be allowed to cost you financially. Offer time or skills, not cash. 3 stars

SAGITTARIUS (Nov. 22-Dec. 21):
Emotions will be difficult to control. Love is on the rise, and a change at home or the way you live your life will determine how happy you are in the future. Be true to yourself and honest with others. 3 stars

CAPRICORN (Dec. 22-Jan. 19):
Rumors and gossip will not help your situation. Do what you can to help others and socialize with people who share your interests, but don't try to be something or someone you are not. Impulse and impatience will be your downfall. 3 stars

AQUARIUS (Jan. 20-Feb. 18):
What you do for others will enhance your reputation and buy you favors. Put more into your home, family or love life. The connection you make now will enhance your life mentally, physically and emotionally. Advancement is within reach. 4 stars

PISCES (Feb. 19-March 20):
Take a backseat and watch the show. Meddling will not get you further ahead or help your reputation. You'll be questioned and criticized if you challenge or disagree with others. A problem with a friend, relative or partner is likely to surface. 2 stars

Birthday Babies: You are intelligent, outgoing and spirited. You are sensitive and caring.
