RE: FY 2011 Transit TIP, New Orleans and St. Tammany UZAs

Dear Ms. Lavigne:

Please accept the following amendments to the FY 2011 Transit Element of the Regional Planning Commission's Transportation Improvement Program (TIP) for the both the New Orleans and the St. Tammany UZAs, for inclusion in the State Transportation Improvement Plan. The amendments for the New Orleans UZA concern the inclusion of two new Urban JARC projects for RTA and Jefferson Transit, with a subsequent reduction in the remaining regional allocation.

The amendments for both New Orleans and St. Tammany address several projects selected by LADOTD for award of FTA's Elderly and Disabled (5310), Rural Transportation (5311), Rural JARC (5316) and Rural New Freedom (5317) grants. As per FTA and RPC policy, these projects will also be listed in the region's Coordinated Public Transit-Human Services Transportation Plan. On the attached spreadsheets these changes are highlighted in yellow. The Policy Board and Commission approved these amendments on February 8, 2011.

Additionally, due to the changes to the region's annual 5307 apportionment, as published in 76 FR 29291 on May 20th, the RPC and its grantees have made adjustments to their awards to reflect the new amounts available. These changes are highlighted in orange.

As always, timely processing by your office of this update will be, as always, greatly appreciated. If you have any questions or need additional information, please advise.

Sincerely,

Jeffrey W. Roesel AICP

Re: FY 2011 Transit TIP, New Orleans Urbanized Area

Dear Ms. Lavigne:

Please accept the following amendment to the FY 2011 Transit element of the Regional Planning Commission's Transportation Improvement Program (TIP) for the New Orleans Urbanized area for inclusion in the State Transportation Improvement Plan (STIP). The amendment concerns the award of a State of Good Repair grant to the Regional Transit Authority (RTA) in the total amount of \$9,333,300 to renovate RTA's historic Carrollton and Napoleon transit facilities, in accordance with guidelines of the program. This includes \$7,466,400 in Section 5309 funds with \$1,866,600 in local match from the RTA.

The RPC Transportation Policy Committee and Regional Planning Commission Board approved this amendment effective July 12, 2011. Timely processing by your office of this request will be, as always, greatly appreciated. If you have any questions or need additional information, please advise at your soonest convenience.

Sincerely,
